

About Us

Global Hotels: Global Clients: Global Presence

ROOMXCLUSIVE.COM an online hotel booking portal which offers over 3,50,000 hotels across the globe along with facilities to book transfers and sightseeing. The product is backed by more than 35 wholesale suppliers from different parts of the world, Local DMC Expertise and Direct Contracts.

This online system is brought to you by '**ELEVATE GROUP**' and is backed by extensive network of partnerships with Hotel Consolidators, Direct Contracts, Dynamic Inventory of Contracted Chains Via Channel Managers to facilitate travel partners to find and book **Hotel, Apartment, Sightseeing and Transfer** under one window interface and has been consistently providing the best and biggest inventory to the travel partners.

We are focused on driving business for our partners while enriching their booking experience with us. Well known for our innovations, global reach, reputation and trustworthiness, competitiveness, advanced technology and booking interface – **ROOMXCLUSIVE.COM** connects travel wholesalers, online travel agents, tour operators and DMC's to the vast portfolio of global travel content. It is an effort to make hotel booking simple and it is specifically designed to give easy direct booking access to competitively priced hotel rooms and other leisure products. The system has rate advantage over the other sites as the best rates come direct from the principal source.

Apart from providing hotel booking capability, our online hotel booking system is optimized to the advance hotel search experience by allowing the search parameters to be sorted by availability, price, hotel name and hotel rating. Hotel rules and regulations are also displayed to keep the customer informed. With this unique online hotel booking platform, we offer an ideal solution to maximize revenue, optimize manpower and build efficiency.
